DIGITAL MOBILE DEVICE POLICY

Note: “Digital mobile device” includes (but not limited to): iPads, tablets, netbooks and laptops. As of 2019, mobile phones are no longer part of the Digital Mobile Device Policy.

1. Digital mobile devices may only be used at school at the direction and in a manner prescribed by the class teacher for activities linked to class learning programs.

2. Taking photos, video or recording voice of any individual or group is not allowed without permission from the teacher.

3. Students are responsible for the care of their devices and bring them to school at their own risk. The school will not accept liability for digital mobile devices that are lost, stolen or damaged.

4. Digital mobile devices may only access the internet via the schools wireless network (DETNSW). All other connections such as 3G and 4G must be switched off.

5. Students are responsible for bringing their devices to school fully charged and labelled for identification (The school can provide labels on request).

6. Consequences for breach of this policy will be determined by the Principal and may include confiscating the digital mobile device and/or banning an individual student from bringing their digital mobile device to school.
