

Pacific Highway
CHATSWOOD 2067

GENERAL MEETING TUESDAY 24th July 2018 MINUTES

| 1. | President's Welcome |
|----|--|
| 2. | Attendees & Apologies |
| | Attendees: As per meeting register. |
| | Apologies: Kate Pereira, Cathy Buining; late arrivals Joe Grundy and Sue Low |
| 3. | President's Report – attached |
| | Refer to President's report attached – July 2018 |
| | Additional points of note: |
| | Willoughby Council has approved Heritage Listing for the property at 9 Centennial Ave; an appeal against the decision is expected; Council also rejected a proposal to rezone 688-692 Pacific Hwy for education purposes |
| | Recent meeting of Chatswood West Ward Association noted concerns about the safety of the overpass for the Pacific Hwy near the school |
| 4. | Correspondence |
| | Email from the RMS to Joe Grundy dated 19.07.18 regarding kerb ramp at Pacific Highway / Victoria Road Intersection (see details below #10 Outstanding items). |
| 5. | Confirmation of Previous Minutes |
| | Motion: To approve the minutes of the previous general meeting on 23rd June. Moved: Paul Battaglia, Seconded: Irene Chan; all in favour, motion passed. |
| 6. | Guest Speaker |
| | Cathy Tikoft – Presentation for proposal to engage John Hattie (education expert) for teacher professional development. A new motion on notice seeks funding from the P&C to cover travel expenses and speaker fees for John Hattie to lead a professional development day (weekend event). John Hattie is internationally renowned for his research into high performing school children. It was proposed that teachers from other local schools would be invited to attend. The motion will be considered at the August P&C meeting. |
| 7. | Principal's Report – presented by Tim Dodds |
| | Student numbers at CPS have remained stable at the start of Term 3. The new Lindfield School has opened for first intake of enrolments. The school has |

received around 800 applications for the 350 places available in 2019.

- Associated with the opening of the Lindfield School, the geographical catchment boundary for CPS is being reviewed by the Department of Education. Usually the Department gives 3 years' notice of boundary changes. All existing students and their siblings will remain eligible to attend CPS under the current boundary.
- 126 Year 6 CPS children sat for the Selective High School test; 70 children achieved a place or are on a waiting list.
- Term 3 includes a significant number of school events including Education Week and Open Day, Moon Festival, and P&C Trivia Night.
- The school has launched a new resilience program, "You Can Do It", for all children.

8. Treasurer's Report

Pearl Chan presented the Treasurer's Report. The P&C will be making a payment of \$53,000 towards the costs for learning support, leaving a balance of approximately \$839,000 at end July.

Motion

• To approve payments of \$8,754.85 from the main account as listed in the Treasurer's Report.

Moved: Paul Battaglia; Seconded: Irene Chan; all in favour, motion passed.

9. Sub-Committee Updates

- Canteen report Aimee Ipson Pflederer
 - o Introducing additional new menu items, focusing on food safety, effective maintenance of the available canteen space, and volunteer engagement.
- Uniform Shop Matt Wood
 - Recent new Department of Education policy supporting the availability of pants for girls, CPS Uniform Shop have already been investigating options and aim to introduce in 2019; stocktake also completed.
- Events Sue Lowe
 - Senior Disco very successful, thanks to teachers who attended, good security measures including new scanning system for entry/exit; shift in timing to winter event seemed positive. Trivia Night next event 25 August.
- Grounds nil to report
- Technology nil to report

10. Outstanding Items

- Writing Program: CPS to sample all students' writing, undertake extra writing practice and to award most improved children at Honour Assembly.
- Pram crossing ramp on Pacific Highway: the RMS has identified logistical difficulties due
 to the location of underground utilities in the footpath area where the ramp is needed.
 Parents with prams should be encouraged to use the crossing on the other side of the
 intersection, which does have ramps.
- Music Room upgrades see motion below.
- Chatties Wood –members of the P&C are partnering on the production this year, graphics artist and printer identified; currently managing issue of "permission to publish"; have also received entries from children for front cover design.
- Change to August P&C Meeting date due to clash with the Twilight concert, the next meeting will be 21 August.
- Sports Subsidy Tim Dodds to report at next meeting details of items purchased.

11. Motions and Motions on Notice

passed.

Process:

- Motions on notice are put on the agenda and discussed at the meeting. The Motion can then come up for a vote at the next meeting.
- Minor spends can be approved without a motion on notice
- Questions on any motions or motions on notice can be emailed to secretary@chatswoodpublicpandc.org.au to be answered at the next meeting.

Motions:

Proposal: Stage 1 Book purchase
 Motion: To approve up to \$500 for new PM readers for Stage 1 in E Block
 Moved: Aimee Ipson Plfederer, Seconded: Paul Battaglia; all in favour, motion

 Proposal: You Can Do It! - a social / emotional wellbeing program designed to strengthen the character, attitudes and social - emotional skills you young people
 Motion: To approve up to \$7000 approx for digital and physical resources for the program

Moved: Pearl Chan, Seconded: Paul Battaglia; all in favour, motion passed.

Proposal: Purchase of bean-shaped writable tables for kindergarten classrooms
 Motion: To approve up to \$5000 - \$7000 approx for the purchase of 10 tables (carried forward)

Kindergarten teachers to be invited to present at the next P&C meeting to provide additional information about the learning benefits of these tables.

 Proposal: The Dance program would like some assistance in supporting their performance at the Concourse

Motion: To approve a \$2000 contribution to assist in covering expenses (carried forward)

Dance teachers to provide details of types of expenses. Parents expressed a preference for funding 'retainable' items over operating expenses. Parents also want to consider the impact of this request for other similar programs.

 Proposal: The Visual Learning Committee requests \$3,200 for casual relief days to allow Staff to visit Anzac Park School and for preparation of Professional Learning and Resources for staff

Motion: To approve a \$3200 contribution to towards the Visual Learning initiative Moved: Lyndall Franks, Seconded: Irene Chan; all in favour, motion passed.

Proposal: Purchase of additional laptops and ipads for Stage 2
 Motion: To approve \$73,500 approx for the purchase of 45 laptops ad 75 ipads
 Moved: Paul Battaglia, Seconded: Carl Spinetti; all in favour, motion passed.

It should be noted that this would not be a recurrent investment by the P&C, and discussions are underway with the school executive to build additional funds for ongoing IT investment and support. One option could be a small addition to school fees (e.g., \$10 per term) for IT equipment.

- Proposal: To purchase a set of Representative Athletic singlets uniforms up to \$600
 Motion: To approve up to \$600 approx for the purchase of Representative Athletic singlet uniforms (carried forward, awaiting new design sample).
- Proposal: To assist in the payment of paint and carpet to upgrade the music rooms up to \$500

Motion: To approve up to \$500 for the purchase of paint and carpet to upgrade the music rooms

Moved: Joe Grundy, Seconded: Lyndall Franks; all in favour, motion passed.

Motions on Notice:

 Proposal: To fund travel expenses and speaker fees for weekend training day hosted by John Hattie to promote Visible Learning.

Motion: To approve up to \$3,000 for the event.

12. Other Business

- Chatswood Education Precinct: concept diagrams have been released online; consultation process to follow.
 (www.majorprojects.planning.nsw.gov.au/index.pl?action=view_job&job_id=9483)
- Overpass escalator: contact number for security guard managing operational problems during school days 9415 1430.
- P&C stickers have arrived and will be attached to items funded by the P&C.
- New school report format: mixed feedback from parents about the extended assessment details provided by teachers.
- Suggestion for painted murals on demountables and boarded up cottage; Tim Dodds to explore options.

There being no other business, the meeting closed at 9:25 p.m. The next meeting will take place on Tuesday 21 August at 7:30 p.m.

CHATSWOOD PUBLIC SCHOOL PARENTS' AND CITIZENS' ASSOCIATION

Next Meeting is: 21st August 2018 at 7.30pm

July 2018 P&C meeting - President's Report

Welcome Introductions Membership

I hope everyone had a good holiday!

PRG

Joe & I along with the School Exec are continually attending PRG meetings – our last one was on Wednesday 27th June. We are pleased with the progress, and we are looking forward to a public announcement.

School Year book - Chatties Wood

The P&C are getting involved this year with a great team of teachers and parents.

We have chosen Classic Year Books to assist us in getting the publication ready and we are running a competition to design a cover over the holidays and are eager to see the results.

Argyle concert

Willoughby Council

- 9 Centennial Ave went to Council last night.
- 688 692 Pacific Hway the DA has been restarted DA2017/300. On June 12, Council passed a motion to have the Mayor & GM approach the Department of Education & the Premier. Last night at the council meeting there was a motion for the land to be rezoned to Special Education Purchase.

Pacific Highway
CHATSWOOD 2067

GENERAL MEETING TUESDAY 26th June 2018 MINUTES

Attendees: As per meeting register.

| 1. | President's welcome |
|----|--|
| 2. | Apologies |
| | Elaine Neil, Philip Neil, Angela Todd, Nick Moore, Lyndall Franks, Sue Low, Pearl Chan |
| 3. | Presidents Report – attached |
| | Refer to president reports attached – June 2018 |
| | Additional points of note: |
| | Teachers to provide suggestions for Coles Sports Voucher to Luke Muir |
| | Drawing competition for Chatties Wood – school to send out notice to parents including template to ensure they are all aware |
| 4. | Correspondence |
| | None to report |
| 5. | Confirmation of previous minutes |
| | Motion: That the minutes of the previous general meeting on 22 nd May 2018 be approved. Moved: Paul Battaglia, Seconded: Irene Chan; all in favour, motion passed. |
| 6. | Guest Speakers |

- Our school does not use a bell -curve. Teachers are not limited to a set number of each grade within their class or school.
- If a child receives the same grade across the year that does not mean they have not made progress. It is an assessment on the range of content for those 2 terms.
- Consistent teacher judgement is important. Comes from following teaching programs based on common syllabus, using common grade scales, shared student works, and discussions with colleagues
- Reporting to parents is done via the teacher comments on the reports, 3-way interviews and other information about school involvement which is included on the report.

7. Principal's report – presented by Tim Dodds

- 688 Pacific Highway lobbying for the building is very political in nature. The school
 has previously put in request for the Dept of Education to purchase the building.
 Costs have escalated significantly in this time.
- Uniform monitoring is continuing and has been successful.
- Umbrellas continuing to have some children bringing to school but Tim Dodds
 noted it was difficult to prevent students using them when it is raining and they have
 no other options. Parents are urged to ensure raincoats are used in lieu of
 umbrellas.
- Enrolments increased by 1 since the previous P&C Meeting
- Confucius teachers everything taught is in line with the curriculum. Review currently being undertaken by the Department
- Dragon boat festival a success thanks to Mrs Barker
- New Deputy Principals have settled in well and the school recognises that it is a hard position.
- Visible learning will be introduced in the school refer to Robyn Scott's presentation below

8. Treasurer's update

Andrea presented the Treasurer's Report in Pearl's absence—refer to report at end of minutes.

Motion

 To approve amount totalling \$3,607.25 from the main account as listed in the Treasurer's Report for payment

Moved: Paul Battaglia Seconded: Doris Luo; all in favour. Motion passed.

9. Sub-Committee Updates

Canteen report –

- Fun day today linked with SRC mufti days great turn out of volunteers and staff help too. Lower sales this time – believe may be due to lack of flyer in bags (effort to reduce paper). Joe Grundy questioned if there could be an option for the mail out to have a calendar appointment
- Menu committee is in place for introducing new additional items e.g. a vegie burger and some shift to menu options.
- Volunteer turnout has been consistently high the committee is questioning how to sustain volunteers, rally for school spirit, option for targeting each week to be a certain year level is being considered.
- Documenting standard operating procedures is ongoing;
- Request for lines to be moved so that the smaller years are closer to the sign and do not have to read over the taller older children.

• Uniform Shop – Verbal report from Matt

- o Shop is closed last week of term for stocktake
- Total sales for year to to date is \$201,000 with net profit of \$55,000
- 100% online shop plans are continuing
- Uniform reform proposal has been presented to the P&C and school executive
- Confirmed that girls can wear either the micro-fleece or bell bottom pants for sports uniform.
- Summer and winter sports uniform are at the discretion of children and parents. Not restricted to set times of the year.
- Option for girls to wear clothes that do not restrict play (eg pants in lieu of dresses) has been presented to the executive committees. Samples will be brought to the October P&C Meeting with sourcing of community opinion to be ongoing. Noted that we need to ensure the school identity is maintained.
- Motion: To delegate the designed and operations manager with authority to approve overtime hours for all uniform shop staff

Moved: Aimee Ipson Pflederer, Seconded: Irene Chan; all in favour. Motion passed.

Events

 Bush Dance – It was noted that the children would like to see more teachers at the dance events

Grounds

- No report
- Technology
 - No report

10 Outstanding items

- Writing Program: Tim Dodds commented that writing is taught in years 1, 2 and modified cursive is taught in year 3. Agreed that writing is average. Looking to introduce a writing award through classes to encourage good handwriting. Concern some kids don't work on that basis.
- High School Behaviour: Tim Dodd's noted that he can address it when it occurs within the school boundaries, however outside of this he has no control.
- Pram crossing ramp on Pacific Highway: Joe reported that he lodged a query to council
 who has advised it is an RMS issue. Joe has subsequently lodged a pedestrian safety
 complaint with the RMS
- Teacher leave and advising parents: Tim Dodds confirmed that in the event teachers are on pre-approved leave an email will be sent to the relevant class. Will not be provided in the event of sick leave
- Music Room upgrades works and plans are ongoing
- Chatties Wood Parent committee has been set up with this year to alleviate the task on the teachers.

11 | Motions and Motions on Notice

. Process:

- Motions on notice are put on the agenda and discussed at the meeting. The Motion can then come up for a vote at the next meeting.
- Minor spends can be approved without a motion on notice
- Questions on any motions or motions on notice can be emailed to <u>secretary@chatswoodpublicpandc.org.au</u> to be answered at the next meeting.

Motions:

• Proposal: to purchase 3 x portable keyboards for the music rooms

Motion: to purchase 3 portable keyboards for the Music Rooms \$566:

Moved: Paul Battaglia, Seconded: Joe Grundy; all in favour. Motion passed.

 Proposal: to purchase a portable table and benches to be used for external sporting events

Motion: to purchase a portable table and benches to be used for external sporting events – approx. \$150

Moved: Paul Battaglia, Seconded: Jyoti Dhawan; all in favour. Motion passed.

Motions on Notice:

- Proposal: Stage 1 book purchase \$2,505
- Proposal: You Can Do it social / emotional wellbeing \$7000 approx: Presented by Linda Ryan
 - A social emotional learning program for increasing the achievement and wellbeing of children and adolescents
 - Builds resilience in children to deal with issues
 - Suitable for age 4 adulthood
 - For younger children it deals with 5 social intelligences resilience, skill of getting along, organisation, persistence and confidence – upskill children in these areas
 - Social and emotional skills improve performances at school, at home and in life beyond the school gate
 - Older children focuses on 12 habits of minds self acceptance, optimism, independence, responsible risk taking, high frustration tolerance, and think first
 - Different programs for each age group so no repetition each year- Online resources, puppets, music, posters and handouts. There is a parent component (optional) and teacher training
 - Whole school program- takes a few years for the school to become immersed in the program. Children would be introduced in 2019 after teacher training.
 - Also introduces keys to success in the work place are a large part of the program: positive attitude, communication, self management, willingness to learn, thinking skills, resilience
 - Proposal request for funding online program, posters, puppets, music, certificates, cardboard, laminating.
- Proposal: Purchase of bean shaped writable tables \$5000 \$7000 approx.
 - Noted that it might be worth waiting until the new buildings are complete as
 we are unsure about the type of classroom configuration and the extent of
 furniture that will be provided
- Proposal: Purchase of additional laptops and iPads for stage 2 \$73,500 approx.
 Presented by Grant Galbraith
 - Initial teething problems with the network at the bush campus. Has since improved and functioning as it should
 - Google drive apps and google classroom has been introduced for the children to use and should be in place for Stage 3.

- Teachers believe we are under-resourced with 15 laptops (one currently in repair shop) for the entire stage 2 (12 classes, 400 students) and 30 lpads.
- Each STEM class has 10 computers which they are using constantly throughout the day.
- Goal is for every class to start implement STEM in 2019, including in stage 2, and to do this properly need the resources.
- Implementation could be done immediately. Portable for new building.
- Treasurer statement required for a purchase of this kind. Grant to provide specs of iPads, laptops and costs for review by treasurer.
- Concern with school outlaying costs which will be redundant in 3 years
- Tim Dodds suggested BYOD (bring your own device) in Stage 2 could help alleviate the lack of resources supplied by the school.
- Proposal: Dance Program assistance for concourse performance approx. \$2000 contribution
- Proposal for Visual based learning: \$3,200 Presented by Robyn Scott.
 - Fundamental idea is to have learning visible in a classroom. School is aiming
 to implement Visible Learning in every classroom in the school. This will
 allow anyone to walk in and on display will be the learning intentions for the
 children, the success criteria (list of what the teacher is expecting to see) so
 they know when the child has succeeded.
 - Not "what you are going to do", but "what you are going to learn"
 - Result of 18 years of research—largely by John Hattie about what has the biggest impact in the classroom.
 - Allows children to assess and test themselves
 - Applied at Lindfield in 2017 and is in place at Anzac Park. Teachers will undertake a site visit to Anzac Park.
 - Improves the quality of what happens in the classroom.
 - Action team across the school has been put in place. Will be introduced
 across the school at the term 3 development day and provide them a few
 weeks to think across. Will begin to take effect across the school in term 4
 with implementation to progress through next year.

12 Other business:

- Change to August P&C meeting date due to clash with the twilight concert. Alternate meeting will be formally petitioned at the July meeting – 21st August
- Initial Proposal: cohesive school rep sports uniforms (zone, PSSA etc) full review required and inventory of what is available and condition. Luke Muir to undertake a review in the school holidays
- Grants for sports equipment school confirmed they currently apply for them. Request for transparency
- July meeting agenda will be sent out next Tuesday week 10 due to school holidays and required notice period.
- Mobile phones students are not allowed to use at lunchtime or during the school day.
- BYOD school has recommendation specifications. Currently stage 3 only. Students cannot use them during recess and lunch. School is reviewing expanding this program.
- Special meeting required for by-law review meeting. Joe to bring form next meeting if you wish to sign up.

 Andrea showed an example of an outdated representative uniform for Athletics, it was agreed that the P&C would look at some new styles and support the purchase

There being no other business, the meeting closed at 9.35 pm.

CPS P&C Treasurer's Report

- Payments
- Motions

<u>Payments</u>

| Date | Paid to | Purpose | Amount |

| Total | | | 8,754.85 |

<u>Motions</u>

■ To approve amount totalling \$8,754.85 (from main account, as listed in this report) for payment.

Chatswood Primary School P&C Proposal Submission Form

1. Give a brief description of the idea or project you are proposing. (You may include sketches or a brochure, if they are applicable and would help.)

You Can Do It! Is a social/emotional wellbeing program designed to strengthen the character, attitudes and social-emotional skills of young people. It is designed for students from the ages of 3 to 18+ and would be a school-wide welfare program at our school. It will link to our school behavior management program, currently being updated.

The program was developed by Professor Michael Bernard, Professor at the University of Melbourne and an international consultant to universities, organisations, educational authorities and governments. His program has been used in over 6000 schools world wide.

Website: youcandoiteducation.com.au

Website has 3 main sections. Most useful: I am an educator

I am a parent

2. Explain why this idea or project is needed, and/or what benefits it will provide to students and the School.

The aim of You Can Do It! Is to increase the achievement and well-being of children and adolescents. In You Can Do It! Education, many of the key social and emotional characteristics that moderate student engagement and achievement are taught, linking in with aspects of the Chatswood PS School Plan.

The program has the benefit of upskilling students in the skills of resilience, getting along, organisation, persistence and confidence linked to the attitudes of thinking first, following rules, accepting everyone, social values, setting goals, time management, working tough, giving effort, growth mindset, being independent, taking risks, accepting myself and I Can Do It! Many of these 'habits of mind' link to the general capabilities, cross-curriculum priorities and other learning areas of the new NSW syllabuses and are prized as skill sets for young people entering the workforce.

Apart from being run as a K-6 program, the benefits of the program are that it has an intrinsic focus so students take it with them beyond the school gate. There is an optional parent program as well.

Resilience is a focus of the program and an area often identified by teachers and parents as a mindset requiring further development in children. What I particularly like about the program is that it also focuses on other key skillsets needed for success at school (and life).

Lessons are grade based and the Kindergarten component teaches the skills with the aid of puppets and songs.

YCDI! has the broadest coverage of available SEL (social/emotional) learning programs, supports

3. If your idea is related to a School building, explain how it fits with the School's Masterplan (the Plan is on display near the School office, or available online on the P&C webpage).

| N/A | | | |
|-----|--|--|--|
| | | | |
| | | | |

4. Give an estimate of how much your idea will cost. (A rough estimate is satisfactory, or if possible, actual quotes depending on the item. Please note that items exceeding \$5,000 would usually need a minimum of two independent quotes.)

Cost: \$7 000 (approx.)

This includes digital licenses for the Early Childhood Program, the Primary Years program, education resource books, hand puppets (Kindy), posters, awards plus maintenance of program. Further quotes are not possible due to the nature of the program.

5. Give an estimate of how much time will be needed to develop/implement your idea. Is this a short, medium or long term project?

Introducing a whole-school welfare program is definitely a long term project. To fully immerse the school into You Can Do It! takes about 3 years. Apart from the initial purchase of resources, there is training/inservicing of staff (I have done the facilitator's training course), there is the bringing in of the program school-wide and to parents, upskilling students (lessons are delivered weekly and are grade specific), sharing information and successes via newsletters and creating a culture of success with a positive mindset within the school which can only happen over time.

6. Your contact details (for requests for more information, etc.)

Name: Linda Ryan

Email: linda.ryan@det.nsw.edu.au Telephone/mobile numbers: work 9419 6127, mob: 0403 219 454

What happens next?

The person submitting the idea or request needs to be prepared to sponsor that idea, gather relevant information and/or quotes (where funds are involved), and then help in some way with the implementation of the idea if it is approved. A member of the Executive Committee may be able to assist.

- If your proposal is relatively simple, and is likely to cost less than \$5,000, your proposal can be submitted to the P&C Secretary up to 1 week before a P&C general meeting and it will be included on the agenda for that meeting.
- If your proposal is likely to cost more than \$5,000, your proposal should be submitted to the P&C President or Secretary. Your proposal will be reviewed by the P&C's Executive Committee. Your proposal may also be referred to a relevant P&C sub-committee for consideration and comment. The Executive will then liaise with you for further information/next steps. This may include asking you to present your proposal at the next P&C meeting for discussion, consulting with the parent community about your proposal, and/or making a motion for your proposal to be approved at a P&C meeting.

It should be noted that the P&C sets its budget annually, and decisions about new, unbudgeted items must be considered against existing commitments. This may mean that some larger proposals may be implemented in a staged way, or may be delayed until funds can be dedicated.

Chatswood Primary School P&C Proposal Submission Form

1. Give a brief description of the idea or project you are proposing. (You may include sketches or a brochure, if they are applicable and would help.)

Early Stage One would like to purchase some bean-shaped writable tables for our classrooms.

Picture attached.

2. Explain why this idea or project is needed, and/or what benefits it will provide to students and the School.

This would be beneficial to the school as it prepares our students from a young age to understand and grasp the concept of flexible future, which is a part of future-focused learning.

3. If your idea is related to a School building, explain how it fits with the School's Masterplan (the Plan is on display near the School office, or available online on the P&C webpage).

This fits with the School's Masterplan as it will compliment the exterior design by having flexible furniture as part of the interior design and this furniture can be moved when our new school is built.

4. Give an estimate of how much your idea will cost. (A rough estimate is satisfactory, or if possible, actual quotes depending on the item. Please note that items exceeding \$5,000 would usually need a minimum of two independent quotes.)

Each table is roughly \$500-\$700 and we have ten kindergarten classes, so total estimate is between \$5000-\$7000.

5. Give an estimate of how much time will be needed to develop/implement your idea. Is this a short, medium or long term project?

This would be long term as we can take these tables to our new school.

6. Your contact details (for requests for more information, etc.)

Name: Kindergarten Team (Min Jang/Sally Wall, Kate Roberts, Anna Kelly, Annabelle Wang, Georgia Brown, Christine Brady, Joanne Choi, Susan Lidbetter, Helen Graham, Jessica Ferguson).

Chatswood Primary School P&C Proposal Submission Form

1. Give a brief description of the idea or project you are proposing. (You may include sketches or a brochure, if they are applicable and would help.)

Visible Learning embraces best practice in Quality Teaching and Learning. It includes best practice in providing feedback to students, presenting multiple opportunities for students to self-assess and set their own goals. Teachers communicate explicit intentions and develop visible criteria for students so that it is very clear when success has been achieved.

2. Explain why this idea or project is needed, and/or what benefits it will provide to students and the School.

Staff, students and the community will benefit from this project. Staff will learn to target outcomes, provide explicit criteria for students and develop quality teaching practices. Students will always know exactly what is being taught and what they must strive to do to be successful. They will be able to assess themselves and set their own learning goals. The community will benefit because learning will be visible in every classroom across the school. A presentation will be made to the school P&C.

| 3. | If your idea is related to a School building, explain how it fits with the School's Masterplan (the Plan is or |
|----|--|
| | display near the School office, or available online on the P&C webpage). |

| If not applicable, please write N/A |
|-------------------------------------|
| |
| |

4. Give an estimate of how much your idea will cost. (A rough estimate is satisfactory, or if possible, actual quotes depending on the item. Please note that items exceeding \$5,000 would usually need a minimum of two independent quotes.)

\$3200 This represents 8 days casual release for members of the Action Team. 2 days will release staff to visit Anzac Park PS. 6 days release for preparation of Professional Learning and resources for staff.

5. Give an estimate of how much time will be needed to develop/implement your idea. Is this a short, medium or long term project?

This project will take 12 months to implement across the School however there are many facets of Visible Learning which may also be introduced over a period of time. I envisage working closely with the High School in the future, partnering with them on areas of 'Making Thinking Visible'. This extension would be of specific value to our Future Focused pedagogies in the new School building as well as to students 4-6/OC.

Chatswood Primary School P&C Proposal Submission Form

| 1. | Give a brief description of the idea or project you are proposing. (You may include sketches or a brochure, |
|---------|---|
| if they | y are applicable and would help.) |

Stage 2 would like to request the following for Stage 2 that the P&C consider

- purchasing more laptops for Stage 2
- more iPads for STEM education
- 2. Explain why this idea or project is needed, and/or what benefits it will provide to students and the School.

As we are starting to do more collaborative learning and self-driven research as a part of PBL, we are finding that we need access to laptops to share ideas via Google Classroom and to create collaborative documents via Google Docs, etc.

It is a goal of Stage 2 teachers to have all students literate in Google Suite by the end of the Stage, so that they are ready for Stage 3, but we are struggling to develop these skills with only 14 laptops for the whole stage. We propose 30 -45 more laptops to meet our needs.

In 2019 it is a goal for all our classrooms to be implementing STEM education. We need equity in resources if that is to become a reality. Currently we have a 28 stage iPads and 20 STEM iPads. We propose that we resource Stage 2 classes with the same level of iPads as the STEM classes equating to 120 across the Stage. Approx 70-75 new iPads required

| 3. displa | If your idea is related to a School building, explain how it fits with the School's Masterplan (the Plan is a y near the School office, or available online on the P&C webpage). | on |

| | n/a | |
| | | |

4. Give an estimate of how much your idea will cost. (A rough estimate is satisfactory, or if possible, actual quotes depending on the item. Please note that items exceeding \$5,000 would usually need a minimum of two independent quotes.)

| Approx \$800 per laptop – 30 to 45. \$500 per iPad x 70-75. |
|---|
| |
| |

5. Give an estimate of how much time will be needed to develop/implement your idea. Is this a short, medium or long term project?

Implementation can be immediate as the need is already unable to be met with existing equipment. Long term the technology is portable and can be taken to any site that Stage 2 is located at.

Chatswood Primary School P&C Proposal Submission Form

1. Give a brief description of the idea or project you are proposing. (You may include sketches or a brochure, if they are applicable and would help.)

To generate excitement around Visible Learning by providing a weekend training day a hosted by respected change-maker, Professor of Education, Melbourne University, John Hattie. A weekend training day will release one of the staff development days at the end of the year.

2. Explain why this idea or project is needed, and/or what benefits it will provide to students and the School.

Hattie can bring his expertise in the area of formative assessment to our staff to increase the buy-in from staff to this change in pedagogy in a dynamic and interesting way. It is hoped he will generate excitement around innovative learning techniques.

The Australian Professional Standards for Teachers:

This course addresses the following Australian Professional Standards for Teachers:

- **6.2.2** Participate in learning to update knowledge and practice targeted to professional needs and school and/or systems priorities.
- **6.3.2** Contribute to collegial discussions and apply constructive feedback from colleagues to improve professional knowledge and practice.
- **3.4.2** Select and/or create and use a range of resources, including ICT, to engage students in their learning.
- **3.3.2** Select and use relevant teaching strategies to develop knowledge, skills, problem-solving, and critical and creative thinking.

| 3. | If your idea is related to a School building, explain how it fits with the School's Masterplan (the Plan is on |
|------|--|
| disp | olay near the School office, or available online on the P&C webpage). |

| If not applicable, please write N/A | |
|-------------------------------------|--|
| | |
| | |

4. Give an estimate of how much your idea will cost. (A rough estimate is satisfactory, or if possible, actual quotes depending on the item. Please note that items exceeding \$5,000 would usually need a minimum of two independent quotes.)

TBC: it can be expected to extend to \$3 000 because of Hattie being a sought after speaker.

5. Give an estimate of how much time will be needed to develop/implement your idea. Is this a short, medium or long term project?

This is a medium term event that will require support and coordination from the Visible Learning Committee to organise.

6. Your contact details (for requests for more information, etc.)

Name: Cathy Tikoft

Email: Catherine.tikoft1@det.nsw.edu.au Telephone/mobile number: 0412 196 592

What happens next?

The person submitting the idea or request needs to be prepared to sponsor that idea, gather relevant information and/or quotes (where funds are involved), and then help in some way with the implementation of the idea if it is approved. A member of the Executive Committee may be able to assist.

- If your proposal is relatively simple, and is likely to cost less than \$5,000, your proposal can be submitted to the P&C Secretary up to 1 week before a P&C general meeting and it will be included on the agenda for that meeting.
- If your proposal is likely to cost more than \$5,000, your proposal should be submitted to the P&C President or Secretary. Your proposal will be reviewed by the P&C's Executive Committee. Your proposal may also be referred to a relevant P&C sub-committee for consideration and comment. The Executive will then liaise with you for further information/next steps. This may include asking you to present your proposal at the next P&C meeting for discussion, consulting with the parent community about your proposal, and/or making a motion for your proposal to be approved at a P&C meeting.

It should be noted that the P&C sets its budget annually, and decisions about new, unbudgeted items must be considered against existing commitments. This may mean that some larger proposals may be implemented in a staged way, or may be delayed until funds can be dedicated.
